

AVIS car rentals. C.T.I.A.

Cape Quarter Extension, Somerset Road, Cape Town

## CLIP44 SHOPFRONT

AVIS car rentals. C.T.I.A.

**ALUPLAN** also manufactures and installs the Clip 44 System.

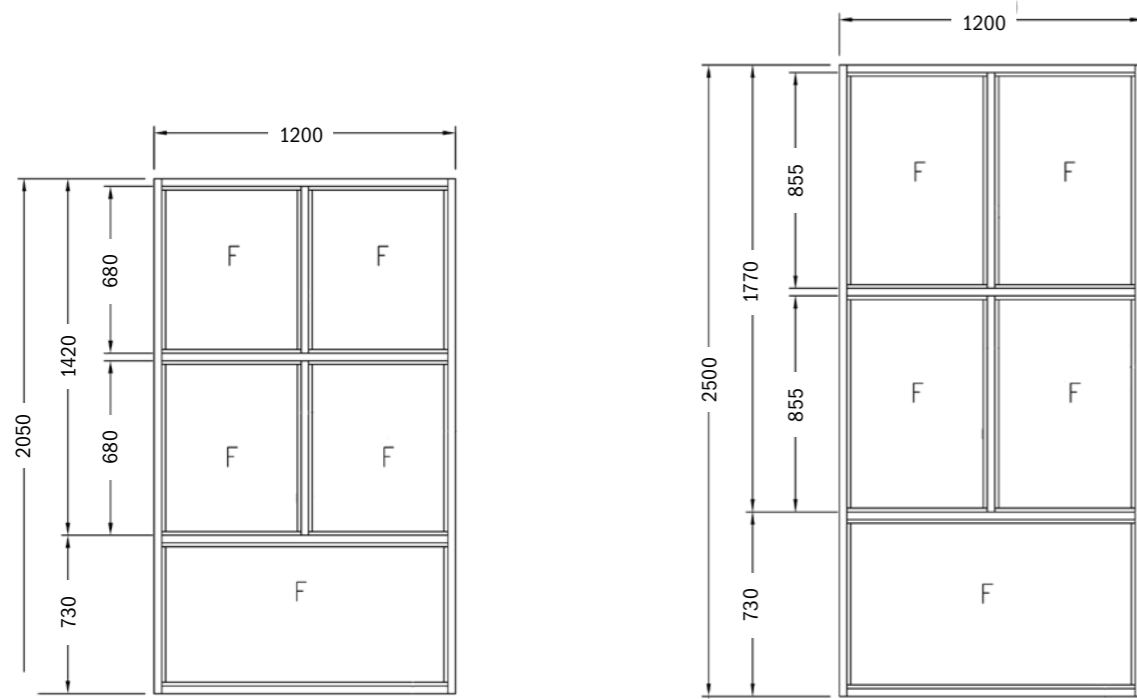

It is a traditional aluminium system capable of meeting a wide range of commercial design applications. It is a traditional shopfront system and conforms to the basic AAAMSA standards.

Various configurations of openings are possible and the sections may be glazed with **ALUPLAN**'s standard glass thickness of 6.38mm up to 10 mm.

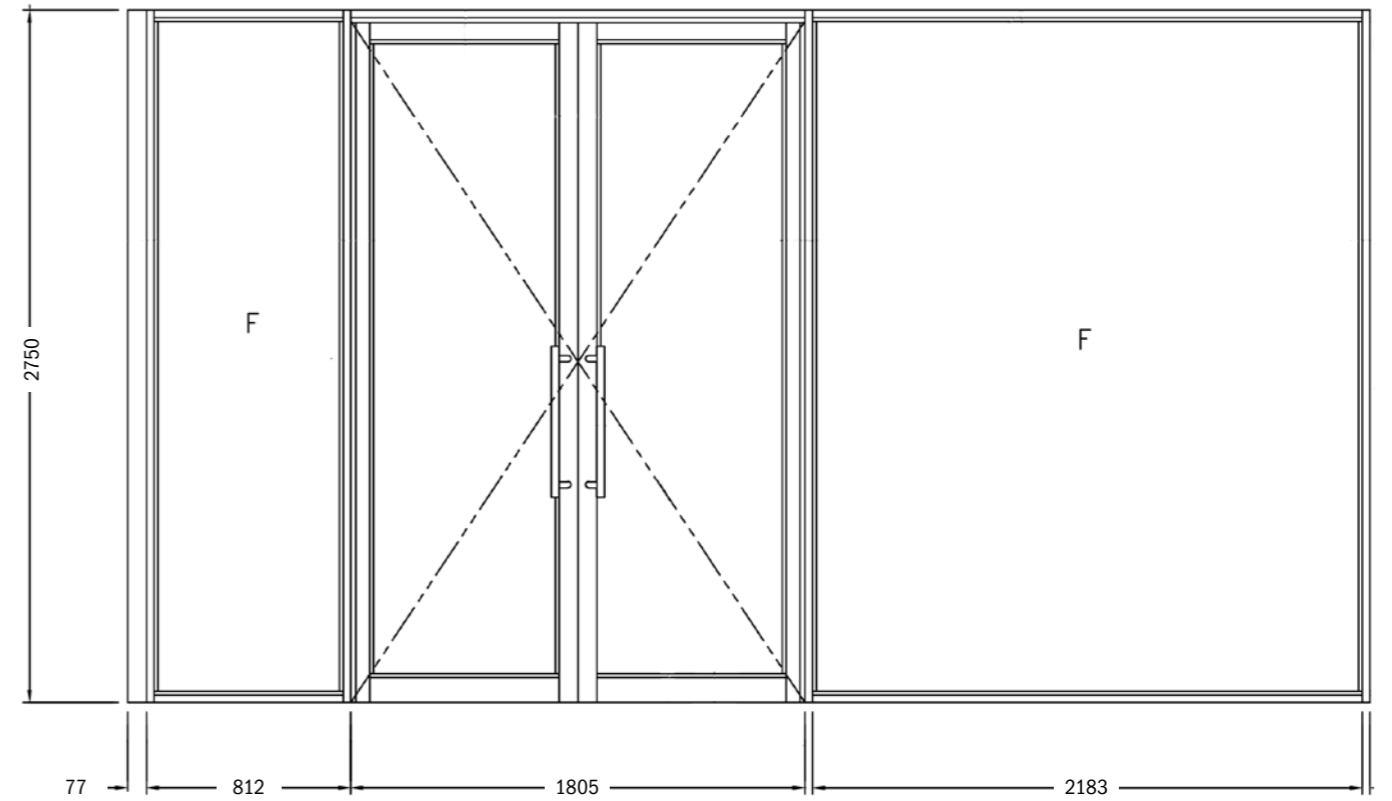

**Contact us for further information and quotations.**
